

Free CVC Word Game Pack

5 CVC word families

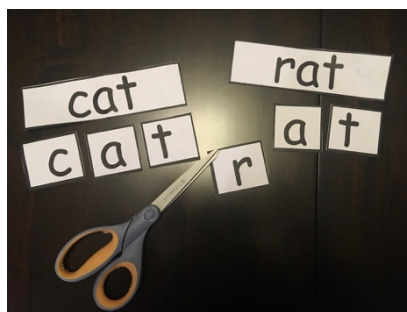

6 puzzles for
each word family

From the
SOUND IT OUT Series

Thank you for downloading my free
CVC Word Family Game from the
Sound It Out series for teachers and parents.

Print out and cut out each game. I recommend printing
out each word family on a different colour of paper and
keeping each word family separate.

Enjoy hours of fun and effective reading practice.
Games help improve motivation and add variety to a
child's reading practice.

Enjoy!
